*A Dog Named Jimmy* Rafael Mantesso.2015-09-29 100 new and classic images of popular Instagram celebrity Jimmy Choo the Bull Terrier On Rafael Mantesso's thirtieth birthday, his wife left him. She took their cookware, their furniture, their photos, their decorations. She left Rafael alone in an empty all-white apartment. The only thing she didn't take was their bull terrier, whom she'd named after her favorite shoe designer: Jimmy Choo. With only Jimmy for company, Rafael found inspiration in his blank walls and his best friend and started snapping photos of Jimmy Choo as he trotted and cavorted around the house in glee. Then, when Jimmy collapsed in happy exhaustion next to the white wall, on a whim Rafael grabbed a marker and drew a new world around his ginger-eared pup. Suddenly, Rafael felt his long-dormant inspiration—for drawing, for art, for life—returning. The result? Hundreds of charming and cheeky images chronicling the owner and dog's relationship and adventures, including poses in a Star Wars stormtrooper helmet, passed out with liquor bottles, and as the shark in Jaws. Mantesso's Instagram feed quickly garnered fans from all over the world and caught the attention of major media outlets like Today, The Huffington Post, USA Today, and the Daily Mail, as well as Jimmy's namesake, the luxury shoe brand Jimmy Choo Ltd. Now, Mantesso presents a definitive selection of new and classic images of Jimmy and includes the backstory of how the two became such great collaborators. As heartwarming as it is hilarious, *A Dog Named Jimmy* will delight animal lovers everywhere.

**Writing and Rewriting the Story of Solomon in Ancient Israel** Isaac Kalimi.2018-11-29

Solomon's image as a wise king and the founder of Jerusalem Temple has become a fixture of Jewish, Christian, and Islamic literature. Yet, there are essential differences between the portraits of Solomon that are presented in the Hebrew Bible. In this volume, Isaac Kalimi explores these differences, which reflect divergent historical contexts, theological and didactic concepts, stylistic and literary techniques, and compositional methods among the biblical historians. He highlights the uniqueness of each portrayal of Solomon - his character, birth, early life, ascension, and temple-building - through a close comparison of the early and late biblical historiographies. Whereas the authors of Samuel-Kings stay closely to their sources and offer an apology for Solomon's kingship, including its more questionable aspects, the Chronicler freely rewrites his sources in order to

present the life of Solomon as he wished it to be. The volume will serve scholars and students seeking to understand biblical texts within their ancient Near Eastern contexts.

Confronting the Past Seymour Gitin, J. Edward Wright, J. P. Dessel. 2006 William G. Dever is recognized as the doyen of North American archaeologist-historians who work in the field of the ancient Levant. He is best known as the director of excavations at the site of Gezer but has worked at numerous other sites, and his many students have led dozens of other expeditions. He has been editor of the Bulletin of the American Schools of Oriental Research, was for many years professor in the influential archaeology program at the University of Arizona, and now in retirement continues actively to write and publish. In this volume, 46 of his colleagues and students contribute essays in his honor, reflecting the broad scope of his interests, particularly in terms of the historical implications of archaeology.

**Entrée to Judaism** Behrman House, Tina Wasserman. 2010 What we eat says so much about who we are and from where we come. Do you like your matzah brie sweet or savory? Is your chicken soup matzah ball or mulligatawny? Does your menu feature a cheese torta or a tofu salad? Wherever Jews have settled, they have adapted local tastes and ingredients to meet the needs of Shabbat and kashrut, creating a rich and diverse menu of flavors and styles, all still Jewish. In *Entre to Judaism*, Tina Wasserman leads a culinary journey around the world and across the ages, from Spain to India, from Russia to Tunisia, sharing the histories and recipes of the great Diaspora communities and the many wonderful ways they have told their stories through food. Accessible, easy-to-follow recipes for the novice home cook and expert chef alike. Features Tina's Tidbits, fun facts and great cooking tips for every recipe. Includes over 275 recipes and dozens of full-color photos

Mediterranean Harvest Martha Rose Shulman. 2010-06-08 Intensely flavorful and inherently healthy, Mediterranean food is one of the world's most appealing cuisines. Mediterranean cooks know how to make eating a pleasure. They do it simply—with olive oil and garlic; with herbs and spices; with tomatoes and eggplants, peppers and squash, figs and peaches, and other seasonal produce. And of course there is crusty bread and local cheese, the freshest yogurt and endless wine. In this authoritative and anecdotal cookbook, award-winning author Martha Rose Shulman captures the vibrant flavors of the Mediterranean region in more than 500 delicious vegetarian dishes that will appeal to everyone. The book represents years of meticulous research gleaned from Shulman's travels through France, Spain, Italy, the Balkans, Greece, Turkey, North Africa, and the Middle East. She presents authentic contemporary variations as well. You'll dine with her in Greek olive groves, feast on recipes handed down from mother to daughter for generations, and she offers her own tomatoes and fresh sardines in Croatia, savor coffee gelato in the streets of Bologna. At every turn in the road there is a new culinary reward. Whether you are a vegetarian or a dedicated meat eater, Shulman's recipes are substantial enough to satisfy any appetite. Included are such tempting creations as Majorcan Bread and Vegetable Soup, Provençal Chick Pea Salad, Pasta with Ligurian Artichoke Sauce, Greek Cauliflower Gratin with Feta and Olives, Balkan-Style Moussaka, North African Carrot Compote, and Sweet Dessert Couscous with Citrus and Pomegranate. There is also an entire chapter devoted to the renowned little foods of the Mediterranean: tapas from Spain, antipasti and merende from Italy; meze from the eastern and southern Mediterranean, and more. In addition, the book features a glossary of useful cookware and indispensable pantry staples and the best online sources for hard-to-find ingredients. As Martha Rose Shulman herself says, Mediterranean food enthalls me. Readers of *Mediterranean Harvest* will be enthralled as well.

**2nd Esdras** Anna Zamoranos. 2021-07-11 2nd Esdras is one of the most powerful prophetic displays in history yet mostly hidden today from plain sight in the church. As it claims authorship from the Prophet Ezra 400 years prior to Messiah, it even foretells His birth in 400 years from that date as well as identifies Him as Yahusha in name. It preserves the trail of the Lost Tribes of the Northern Kingdom of Israel in which we have provided maps and charts including other scripture and history

which serve as the foundation for such location. This will blow many away as we can know where the Lost Tribes migrated en masse. Experience the origin of many portions of Revelation and we will prove well before Revelation was written. The Final Eagle Empire prophecy, a continuation of Daniel's prophecy of the Four Beasts will raise the hairs on the back of your neck when you realize just how close to home it is today and we provide a chart with our interpretation of its three ruling heads. Once most have completed reading this curation, they will wonder why we have not had this knowledge all along. We will vet this book and 1st Esdras and prove it was written prior to the New Testament and is the origin of the words of Messiah and the Apostles many times especially the Book of Revelation. There is a reason this book as well as 1st Esdras both remain in some Bibles today as scripture and their historicity is not debatable as they appear in the 1560 Geneva Bible and Original, Authorized 1611 King James Version. Translators did not waste their time translating this into English as they did scripture for no reason. If you are KJV Only, you may want to look at the original 1611 version which included both of these books. In this annotation of 2nd Esdras with 1st Esdras, we have restored the Original 1611 King James Version and revised the English, curated margin notes, and provided detailed explanations including charts, maps, etc. We have also restored the Hebrew name of YHWH, Yahuah, for the Lord throughout as well as other Hebrew names in some cases. This should be done in all of scripture as His very name is there in Hebrew over 6,800 times in the Old Testament. Our introduction unveils our research on who lived in Qumran (not Essenes), the identity of the Qumran Priests, who defiled the Temple, vets Hanukkah, and Purim as well the Book of Esther, Messiah in Esdras, the name of YHWH in Esdras, etc. We are not scholars and this is an educated layman's view of 1st and 2nd Esdras which many will find more valuable than most scholarly approaches. This work will teach and draw conclusions. In these days of increasing knowledge, some such knowledge is actually ancient knowledge restored. We believe you will find this is the case with 2nd Esdras as well as 1st Esdras. As the international authors of The Book of Jubilees: The Torah Calendar, The Search for King Solomon's Treasure: The Lost Isles of Gold and the Garden of Eden and Ophir Philippines Coffee Table Book, Timothy Schwab and Anna Zamoranos joined by their research team from The God Culture have once again curated another book tied to the Qumran Scrolls which will enlighten many. Review their findings and prove all things, hold fast that which is good (1 Th. 5:21). This revised copy of the 1611 King James Versions of 1st and 2nd Esdras is copyright protected and approved by the Library of Congress: Copyright (c) 2021 by Timothy Schwab, Anna Zamoranos. The Levite Bible. Library Of Congress Control Number: 1-10500202551 Library of Congress Registration Number: TXu002263795 ISBN Number: 979-8-510-54953-9

52 Shabbats Faith Kramer.2021-12-14 AS SEEN IN THE NEW YORK TIMES PubWest Book Design Awards - Silver Winner in Cookbooks "Gorgeous" —The Washington Post Whether you are a longtime host of weekly Shabbat dinners or new to this global Jewish tradition, 52 Shabbats will spice up your Friday night in one way or another. version of King Solomon's Banquet Table with all the recipes from the series. Appetizers, Soups, Meats, Fish, Deserts and more.

**Rice** Michael W. Twitty.2021-02-07 Among the staple foods most welcomed on southern tables—and on tables around the world—rice is without question the most versatile. As Michael W. Twitty observes, depending on regional tastes, rice may be enjoyed at breakfast, lunch, and dinner; as main dish, side dish, and snack; in dishes savory and sweet. Filling and delicious, rice comes in numerous botanical varieties and offers a vast range of scents, tastes, and textures depending on how it is cooked. In some dishes, it is crunchingly crispy; in others, soothingly smooth; in still others, somewhere right in between. Commingled or paired with other foods, rice is indispensable to the foodways of the South. As Twitty's fifty-one recipes deliciously demonstrate, rice stars in Creole, Acadian, soul food, Low Country, and Gulf Coast kitchens, as well as in the kitchens of cooks from around the world who are now at home in the South. Exploring rice's culinary history and African diasporic identity, Twitty shows how to make the southern classics as well as international dishes—everything from Savannah Rice Waffles to Ghanaian Crab Stew. As Twitty gratefully sums up, Rice connects me to every other person, southern and global, who is nourished by rice's traditions and customs.

**Shaya** Alon Shaya.2018-03-13 An exciting debut cookbook that confirms the arrival of a new guru chef . . . A moving, deeply personal journey of survival and discovery that tells of the evolution of a cuisine and of the transformative power and magic of food and cooking. From the two-time James Beard Award-winning chef whose celebrated New Orleans restaurants have been hailed as the country's most innovative and best by Bon Appétit, Food & Wine, Saveur, GQ, and Esquire. Alon's journey is as gripping and as seductive as his cooking . . . Lovely stories, terrific food. --Yotam Ottolenghi, author of Jerusalem: A Cookbook Breathtaking. Bravo. --Joan Nathan, author of King Solomon's Table Alon Shaya's is no ordinary cookbook. It is a memoir of a culinary sensibility that begins in Israel and wends its way from the U.S.A. (Philadelphia) to Italy (Milan and Bergamo), back to Israel (Jerusalem) and comes together in the American South, in the heart of New Orleans. It's a book that tells of how food saved the author's life and how, through a circuitous path of (cooking) twists and (life-affirming) turns the author's celebrated cuisine--food of his native Israel with a creole New Orleans kick came to be, along with his award-winning New Orleans restaurants: Shaya, Domenica, and Pizza Domenica, ranked by Esquire, Bon Appétit, and others as the best new restaurants in the United States. These are stories of place, of people, and of the food that connects them, a memoir of one man's culinary sensibility, with food as the continuum throughout his journey--guiding his personal and professional decisions, punctuating every memory, choice, every turning point in his life. Interspersed with glorious full-color photographs and illustrations that follow the course of all the flavors Shaya has tried, places he's traveled, things he's experienced, lessons he's learned--more than one hundred recipes--from Roasted Chicken with Harissa to Speckled Trout with Tahini and Pine Nuts; Crab Cakes with Preserved Lemon Aioli; Roasted Cast-Iron Ribeye; Marinated Soft Cheese with Herbs and Spices; Buttermilk Biscuits; and Whole Roasted Cauliflower with Whipped Feta.

*King Solomon's Feast* Cuia Rodin,Tibor S. Rodin.1994

**King Solomon's Table** Joan Nathan.2017-04-04 From the James Beard Award-winning, much-loved cookbook author and authority: a definitive compendium of Jewish recipes from around the globe and across the ages. Driven by a passion for discovery, the biblical King Solomon is said to have sent emissaries on land and sea to all corners of the ancient world, initiating a mass cross-pollination of culinary cultures that continues to bear fruit today. With Solomon's appetites and explorations in mind, in these pages Joan Nathan—"the queen of American Jewish cooking" (Houston Chronicle)—gathers together more than 170 recipes, from Israel to Italy to India and beyond. Here are classics like Yemenite Chicken Soup with Dill, Cilantro, and Parsley; Slow-Cooked Brisket with Red Wine, Vinegar, and Mustard; and Apple Kuchen as well as contemporary riffs on traditional dishes such as Smoky Shakshuka with Tomatoes, Peppers, and Eggplant; Double-Lemon Roast Chicken; and Roman Ricotta Cheese Crostata. Here, too, are an array of dishes from the world over,

*High on the Hog* Jessica B. Harris.2011-01-01 The author of *The Africa Cookbook* presents a history of the African Diaspora on two continents, tracing the evolution of culturally representative foods ranging from chitlins and ham hocks to fried chicken and vegan soul.

*English as a Global Language* David Crystal.2012-03-29 Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

*The Kingdom of Rye* Darra Goldstein.2024-04-23 Celebrated food scholar Darra Goldstein takes readers on a vivid tour of history and culture through Russian cuisine. The Kingdom of Rye unearths the foods and flavors of the Russian land. Preeminent food studies scholar Darra Goldstein offers readers a concise, engaging, and gorgeously crafted story of Russian cuisine and culture. This story demonstrates how national identity is revealed through food--and how people know who they are by what they eat together. The Kingdom of Rye examines the Russians' ingenuity in overcoming hunger,

a difficult climate, and a history of political hardship while deciphering Russia's social structures from within. This is a domestic history of Russian food that serves up a deeper history, demonstrating that the wooden spoon is mightier than the scepter.

### **Getting down to the mechanism of biochar effects on the functioning of plant-soil systems**

Xi-En Long, Sardar Khan, Lei Zhong, Fu Chen, Xia Zhu-Barker. 2023-12-19

Edible Insects Arnold van Huis, Food and Agriculture Organization of the United Nations. 2013 Edible insects have always been a part of human diets, but in some societies there remains a degree of disdain and disgust for their consumption. Although the majority of consumed insects are gathered in forest habitats, mass-rearing systems are being developed in many countries. Insects offer a significant opportunity to merge traditional knowledge and modern science to improve human food security worldwide. This publication describes the contribution of insects to food security and examines future prospects for raising insects at a commercial scale to improve food and feed production, diversify diets, and support livelihoods in both developing and developed countries. It shows the many traditional and potential new uses of insects for direct human consumption and the opportunities for and constraints to farming them for food and feed. It examines the body of research on issues such as insect nutrition and food safety, the use of insects as animal feed, and the processing and preservation of insects and their products. It highlights the need to develop a regulatory framework to govern the use of insects for food security. And it presents case studies and examples from around the world. Edible insects are a promising alternative to the conventional production of meat, either for direct human consumption or for indirect use as feedstock. To fully realise this potential, much work needs to be done by a wide range of stakeholders. This publication will boost awareness of the many valuable roles that insects play in sustaining nature and human life, and it will stimulate debate on the expansion of the use of insects as food and feed.

### **The Nation** .1903

**Cuisine and Culture** Linda Civitello. 2011-03-29 An illuminating account of how history shapes our diets—now in a new revised and updated Third Edition Why did the ancient Romans believe cinnamon grew in swamps guarded by giant killer bats? How did African cultures imported by slavery influence cooking in the American South? What does the 700-seat McDonald's in Beijing serve in the age of globalization? With the answers to these and many more such questions, *Cuisine and Culture, Third Edition* presents an engaging, entertaining, and informative exploration of the interactions among history, culture, and food. From prehistory and the earliest societies in the Fertile Crescent to today's celebrity chefs, *Cuisine and Culture, Third Edition* presents a multicultural and multiethnic approach to understanding how and why major historical events have affected and defined the culinary traditions in different societies. Now revised and updated, this Third Edition is more comprehensive and insightful than ever before. Covers prehistory through the present day—from the discovery of fire to the emergence of television cooking shows Explores how history, culture, politics, sociology, and religion have determined how and what people have eaten through the ages Includes a sampling of recipes and menus from different historical periods and cultures Features French and Italian pronunciation guides, a chronology of food books and cookbooks of historical importance, and an extensive bibliography Includes all-new content on technology, food marketing, celebrity chefs and cooking television shows, and Canadian cuisine. Complete with revealing historical photographs and illustrations, *Cuisine and Culture* is an essential introduction to food history for students, history buffs, and food lovers.

*The Invention of the Jewish People* Shlomo Sand. 2020-08-04 A historical tour de force that demolishes the myths and taboos that have surrounded Jewish and Israeli history, *The Invention of the Jewish People* offers a new account of both that demands to be read and reckoned with. Was there really a forced exile in the first century, at the hands of the Romans? Should we regard the Jewish people, throughout two millennia, as both a distinct ethnic group and a putative nation—returned at last to its Biblical homeland? Shlomo Sand argues that most Jews actually descend from converts, whose native lands were scattered far across the Middle East and Eastern Europe. The formation of a Jewish people and then a Jewish nation out of these disparate groups

could only take place under the sway of a new historiography, developing in response to the rise of nationalism throughout Europe. Beneath the biblical back fill of the nineteenth-century historians, and the twentieth-century intellectuals who replaced rabbis as the architects of Jewish identity, *The Invention of the Jewish People* uncovers a new narrative of Israel's formation, and proposes a bold analysis of nationalism that accounts for the old myths. After a long stay on Israel's bestseller list, and winning the coveted Aujourd'hui Award in France, *The Invention of the Jewish People* is finally available in English. The central importance of the conflict in the Middle East ensures that Sand's arguments will reverberate well beyond the historians and politicians that he takes to task. Without an adequate understanding of Israel's past, capable of superseding today's opposing views, diplomatic solutions are likely to remain elusive. In this iconoclastic work of history, Shlomo Sand provides the intellectual foundations for a new vision of Israel's future.
