Africa and the Americas [3 volumes] Richard M. Juang,Noelle Morrissette.2008-03-12 This encyclopedia explores the many long-standing influences of Africa and people of African descent on the culture of the Americas, while tracing the many ways in which the Americas remain closely interconnected with Africa. Ranging from the 15th century to the present, *Africa and the Americas: Culture, Politics, and History* explores the many ways Africa and African peoples have shaped the cultural life of the Americas—and how, in turn, life in the Americas reverberates in Africa. This groundbreaking three-volume encyclopedia offers hundreds of alphabetically organized entries on African history, nations, and peoples plus African-influenced aspects of life in the Americas. It also features authoritative introductory essays on history, culture and religion, demography, international relations, economics and trade, and arts and literature. In doing so, it traces the complex and continuous movement of peoples of African descent to the West, the mechanics and lingering effects of colonialism and the slave trade, and the crucial issues of cultural retention and adaptation that are essential to our understanding of the effects of globalization.

The Gardeners' Chronicle .1875

The Dialogic Nation of Cape Verde Márcia Rego.2015-04-08 The Dialogic Nation of Cape Verde: Slavery, Language, and Ideology is an ethnographic study of language use and ideology in Cape Verde, from its early settlement as a center for slave trade, to the postcolonial present. The study is methodologically rich and innovative in that it weaves together historical, linguistic, and ethnographic data from different eras with sketches of contemporary life—a homicide trial, a scholarly meeting, a competition for a new national flag, a heterodox Catholic mass, an analysis of love letters, a priest's sermon, and a death in the neighborhood. In all these different contexts, Márcia Rego focuses on the role of Kriolu (the Cape Verdean Creole) and its relation to Portuguese—that is, on the way people live through speaking. The Dialogic Nation of Cape Verde shows how, through the dialogic give-and-take of the two languages, Cape Verdeans wrestle with deep-seated colonial hierarchies, invent and rehearse new traditions, and articulate their identity as a sovereign, creole nation.
