Sacred Texts contains the web's largest collection of free books about religion, mythology, folklore and the esoteric in general. Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks. DailyCheapReads.com has daily posts on the latest Kindle book deals available for download at Amazon, and will

sometimes post free books. The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time. You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge. You can literally eat, drink and sleep with eBooks if you visit the Project Gutenberg website. This site features a massive library hosting over 50,000 free eBooks in ePu, HTML, Kindle and other simple text formats. What's interesting is that this site is built to facilitate creation and sharing of e-books online for free, so there is no registration required and no fees. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale,
