My closet is filled with designer clothes and more pairs of shoes than I can count. I have everything I could possibly want at my fingertips. And I've accomplished my dream of writing a novel. How Not to Hate Your Husband After Kids Jancee Dunn.2017-03-21 Get this for your pregnant friends, or yourself (People): a hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice. Recommended by Nicole Cliffe in *Slate* Featured in *People* Picks A Red Tricycle Best Baby and Toddler Parenting Book of the Year One of *Mother* magazine's favorite parenting books of the Year *How Not to Hate Your Husband After Kids* tackles the last taboo subject of parenthood: the startling, white-hot fury that

new (and not-so-new) mothers often have for their mates. After Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper? Many expectant parents spend weeks researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child. Enter Dunn, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today. On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI hostage negotiator on how to effectively contain an explosive situation. Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate -- and rebuild -- your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, *How Not To Hate Your Husband After Kids* is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had.

The Burning Shadow Jennifer L. Armentrout.2019-10-08 #1 New York Times, USA Today, and internationally bestselling author Jennifer L.

Armentrout returns to the world of the Lux with *The Burning Shadow*, the steamy, shocking second installment of the Origin series that will leave readers reeling. When Evelyn Dasher crossed paths with Luc, she was thrown headfirst into the world of the Lux—only to discover that she was already far more involved in their world than she ever suspected. Because the Luxen aren't the only ones with a hidden past. There's a gap in Evie's memory, lost months of her life and a lingering sense that something happened, something she can't remember and nobody is willing to tell her. She needs to find out the truth about who she is—and who she was. But every answer she finds only brings up more questions. Her search for the truth brings her ever closer to Luc, the Origin at the center of it all. He's powerful, arrogant, inhumanly beautiful, extremely dangerous...and possibly in love with her. But even as Evie falls for him, she can't help but wonder if his attraction is to her, or to the memory of a girl who no longer exists. And all the while, a new threat looms: reports of a flu-like, fatal virus that the government insists is being spread by Luxen. A horrifying illness that changes whoever it touches, spreading panic across a country already at its breaking point. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Doubting him isn't something I'll do again, and now that we've made it through the rough patches, well... There's a lot of spontaneous combustion going on. But even he can't protect his family from the danger of trying to free those they love. After everything, I'm no longer the same Katy. I'm different... And I'm not sure what that will mean in the end. When each step we take in discovering the truth puts us in the path of the secret organization responsible for torturing and testing hybrids, the more I realize there is no end to what I'm capable of. The death of someone close still lingers, help comes from the most unlikely source, and friends will become the deadliest of enemies, but we won't turn back. Even if the outcome will shatter our worlds forever. Together we're stronger...and they know it. Wicked Jennifer L. Armentrout.2014-11-04 Things are about to get Wicked in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.
