Martin Parr: Mexico (Signed Edition) Martin Parr.2006-08 For much of his career, Martin Parr has specialized in skewering the eccentricities and peculiarities of his native Great Britain--in particular those having to do with food, tourism, bad fashion choices and more food. Mexico is Parr's first new thematic series to be published in book form since 2002, a distinct geographical departure, and in part a greater departure as well. Parr is struck not only by Mexican culture, but also by the clear impact of America's pop culture and economy on Mexican life--the juxtaposition of Mickey Mouse with brightly colored saints, Nike logos with Day of the Dead skulls and Coca Cola with cacti. Here viewers are in recognizable territory with Parr's colorful close-ups of food, hats, signs and souvenirs, garishly shot with medical efficiency--but Mexico also includes some straight records of human faces, images that capture photographer and subject in the act of mutual contemplation. These moments of mercy are one with the underlying theme of Parr's more ironic work, calling up equally the corruption of authentic cultural forms by global consumer culture, which he both critiques and celebrates. As Parr puts it, What I am saying is that it's a good and a bad thing. I'm constantly trying to express ambiguity. And that's what photography does very well.

The Martin Parr Coloring Book! .2017-10-19 Photography and pop-culture buffs, get out your crayons and colored pencils! Martin Parr's colorful and tongue-in-cheek photographs--his comedy of contemporary manners--have been transformed into a coloring book. Here is Parr's affectionate and hilarious catalogue of human foibles--bad fashion choices, messy foods, trashy souvenirs and the tourists who buy them--rendered afresh. The book's eighty pages are packed with the most iconic and beloved Parr images, made into original drawings by Jane Mount, offering hours of coloring entertainment.

Deja View Martin Parr,Anonymous Project.2021-10-21 In a unique visual dialogue, *Deja View* brings together the work of beloved photographer Martin Parr, master of capturing the art in everyday existence, with The Anonymous Project's archive of unidentified vintage slides, collected from across Europe and America. Surprising and delighting in their similarity, these affectionately matched images celebrate photography's power to capture the small moments of humour, warmth, ennui and absurdity that are in fact our most important of all.

Martin Parr: Life's a Beach (Signed Edition) Martin Parr.2013-05-31 Following on the heels of Martin Parr's limited-edition, album-style publication *Life's a Beach*, Aperture now presents this beach-friendly mini edition. Parr has been photographing the topic of the beach for many decades, documenting sunbathers, rambunctious swimmers caught mid-plunge and the eternal sandy picnic. His international career, in fact, could well be traced to the publication of *The Last Resort* (1986), which depicted the seaside resort of New Brighton, near Liverpool. What is perhaps less known is that this obsession has led Parr to photograph beaches around the world. This compilation, his first on the topic, presents photos of beachgoers on far-flung shores, including Argentina, Brazil, China, Spain, Italy, Latvia, Japan, the United States, Mexico, Thailand, and of course, the U.K. The compilation brings to the forefront Parr's engagement with a cherished subject matter--that rare public space in which general absurdities and local quirks seamlessly fuse together. This book shows Parr at his best, startling us with moments of captured absurdity and immersing us in rituals and traditions associated with beach life the world over.

Mexico Martin Parr.2006 Parr considers the battle between vernacular and American visual culture, as played out on the streets of Mexico. It includes portraits of Mexican working men sporting baseball caps with American logos.

Bad Weather Michael Fish.2014 Martin Parr's *Bad Weather* is the debut book from Britain's most world-renown and prolific photographers. Armed with wry humor (and a water-proof camera), Parr captured the social landscape of the UK during downpours, snow storms and the most challenging elements. Published in 1982, *Bad Weather* has been long out of print and is one of Parr's most sought after books. Books on Books # 17 offers an in-depth study of this important photobook including a new essay by Thomas Weski called *Even the Queen Gets Wet.*--Publisher.

Real Food .2016-03-28 A fun collection of Martin Parr's food pictures, which documents the simple notion that 'we are what we eat'. *Real Food* celebrates all things food through the eyes of the renowned British photographer Martin Parr - a kaleidoscope of foods the world over, from hot dogs to sticky buns and langoustine to lemon meringue pie. Featuring photographs taken throughout Martin Parr's prolific career to-date, *Real Food* will comprise the very best of Parr's iconic imagery - a collection of close-up food shots, in typical garish colour, taken by Parr throughout his travels across the world. Introduced with an essay by Fergus Henderson, British chef and founder of the restaurant St John's in London, which considers Parr's photographs in the context of global cuisine, and Parr's fascination with the social aspect of food that is at the heart of these photographs.

The Non-conformists Martin Parr,Susie Parr.2013 In 1975, fresh out of art school, Martin Parr found poor footing in the London photography scene, so he moved to the picturesque Yorkshire Pennine mill town of Hebden Bridge. Over a period of five years, he documented the town in photographs, showing in particular the aspects of traditional life that were beginning to decline. Susie Parr, whom he had met in Manchester, joined him in documenting a year in the life of a small Methodist chapel, together with its farming community. Such chapels seemed to encapsulate the region's disappearing way of life. Here Martin Parr found his photographic voice, while together he and Susie assembled a remarkable and touching historic document--now published in book form for the first time. *The Non-Conformists* takes its title from the Methodist and Baptist chapels that then characterized this area of Yorkshire and defined the fiercely independent character of the town. In words and pictures, the Parrs vividly and affectionately document cobbled streets, flat-capped mill workers, hardy gamekeepers, henpecked husbands, and jovial shop owners. The best Parr photographs are interleaved with Susie Parr's detailed background descriptions of the society they observed.

Life's a Beach Martin Parr.2013 In the United Kingdom, one is never more than seventy-five miles away from the coast. With this much shoreline, it's not surprising that there is a strong British tradition of photography by the seaside. American photographers may have given birth to street photography, but according to photographer Martin Parr, in the UK, we have the beach! Here, he asserts, people can relax, be themselves, and show off all those traces of mildly eccentric British behavior. Parr has been photographing this subject for many decades, documenting all aspects of the tradition. His international career, in fact, could well be traced to the launch of *The Last Resort*, a 1986 book depicting the seaside resort of New Brighton, near Liverpool. What may be less known is that this obsession has led Parr to photograph beaches across the world. This compilation, his first on the topic, presents photos of beachgoers on far-flung shores, including Argentina, Brazil, China, Spain, Italy, Latvia, Japan, the United States, Mexico, Thailand, and of course, the UK, among others. This book shows Parr at his best, startling us with the moments of captured absurdity and immersing us in the rituals and traditions associated with beach life the world over.

Only Human Phillip Prodger.2019 *Only Human* is a major new book on prolific British photographer Martin Parr, published on the occasion of his important solo exhibition at the National Portrait Gallery in London during the Spring of 2019. It explores one of the most engaging aspects of Parr's work - people - and features brand new work from the last decade.

Match Point: Tennis by Martin Parr Martin Parr.2021 Anyone for tennis? Much loved photographer Martin Parr's unique and evocative pictures

capture the spectacle of a year at the Grand Slam tournaments through 85 stunning images Since 2014, Martin Parr, one of Britain's best-loved photographers, has been granted exclusive behind-the-scenes access to the most prestigious Grand Slam tennis tournaments - followed by over 3 million fans each year - from the Australian and French Opens to Wimbledon and the US Open. Parr's vivid shots, sometimes poignant, often hilarious, provide a unique overview of life on and off the court, from players to picnickers, sun-hats, and visors to rain-stopped-play. With 85 photographs from a brand new body of work, many published here for the first time, this is an ace gift for all tennis fanatics, collectors, and fans of pop-culture photography.

Martin Parr in Wales Martin Parr.2019-10 Martin Parr's work is famous for its humour and his quirky vision of British life. The book reflects Parr's unique vision, humour and style as he looks at aspects of life and popular culture in Wales, from his famous love of beaches and beach holidays - in sun or rain - to coal mining and the Royal Welsh Agricultural Show.

Martin Parr: From the Pope to a Flat White, Ireland 1979-2019, Limited Edition .2021-04-13 A limited edition of Parr's photobook commemorating a longstanding love affair with Ireland This special edition limited to 70 copies includes the book and one gelatin silver print signed and numbered by Parr. The picture is titled Glenbeigh Races, County Kerry, 1983. The print measures 7 7/8 x 11 2/5 inches. Martin Parr (born 1952) has been taking photographs in Ireland for 40 years. His work covers many of the most significant moments in Ireland's recent history, encompassing the Pope's visit in 1979, when a third of the country's population attended Mass in Knock and Phoenix Park in Dublin, to gay weddings in 2019. Parr lived in the West of Ireland between 1980 and 1982. He photographed traditional aspects of rural life such as horse fairs and dances, but also looked at the first hints of Ireland's new wealth in the shape of the bungalows that were springing up everywhere, replacing more traditional dwellings.

Magnum Contact Sheets Kristen Lubben.2017-10-24 At their best, the pictures add to our understanding of the surface event documented and reveal something profound about the people pushing that history forward. — The Los Angeles Times Available for the first time in an accessible paperback edition, this groundbreaking book presents a remarkable selection of contact sheets and ancillary material, revealing how the most celebrated Magnum photographers capture and edit the very best shots. Addressing key questions of photographic practice, the book illuminates the creative methods, strategies, and editing processes behind some of the world's most iconic images. Featured are 139 contact sheets from sixty- nine photographers, as well as zoom-in details, selected photographs, press cards, notebooks, and spreads from contemporary publications including Life magazine and Picture Post. Further insight into each contact sheet is provided by texts written by the photographers themselves or by experts chosen by the members' estates. Many of the acknowledged greats of photography are featured, including Henri Cartier- Bresson, Elliott Erwitt, and Inge Morath, as well as such members of Magnum's latest generation as Jonas Bendiksen, Alessandra Sanguinetti, and Alec Soth. The contact sheets cover over seventy years of history, from Robert Capa's Normandy landings and the Paris riots of 1968 via Bruno Barbey, to images of Che Geuvara by René Burri, Malcolm X by Eve Arnold, and portraits of classic New Yorkers by Bruce Gilden.

Boring Postcards Martin Parr.2004-03-01 Martin Parr is a key figure in the world of photography and contemporary art. Some accuse him of cruelty, but many more appreciate the wit and irony with which he tackles such subjects as bad taste, food, the tourist, shopping and the foibles of the British. Parr has been collecting postcards for 20 years, and here is the cream of his collection - his boring postcards. With no introduction or commentary of any kind, Parr's boring postcards are reproduced straight. They are exactly what they say they are, namely boring picture postcards showing boring photographs of boring places, presumably for boring people to buy to send to their boring friends. All of them are shot in Britain,

taking us on a boring tour of its motorways, ring roads, traffic interchanges, bus stations, pedestrian precincts, factories, housing estates, airports, caravan sites, convalescent homes and shopping centres. Some attempt to idealize their subjects, only to fail dismally. Others lack any apparent purpose or interest, but the resultant collection of photographic images is wholly compelling. *Boring Postcards* is multi-layered: a commentary on British architecture, social life and identity, a record of a folk photography which is today being appropriated by the most fashionable photographers (including Parr), an exercise in sublime minimalism and, above all, a richly comic photographic entertainment.

The Street Photographer's Manual David Gibson.2020-04-07 This updated edition profiles twenty of the world's leading street photographers and teaches readers how to capture profound urban moments. In recent years, photo sharing on social media has rejuvenated street photography, and its spirit has been reborn. *The Street Photographer's Manual* is about the possibilities of street photography as a medium, and how it can be approached in an accessible way. The book begins with an overview of street photography, examining its past, present, and future, and looking at how the genre has changed over time. The reader is then introduced to twenty of the most acclaimed international street photographers. This new, revised edition features six new photographers: Troy Holden, Merel Schoneveld, Melissa Breyer, David Gaberle, Michelle Groskopf, and Craig Whitehead. Integrated within the profiles are twenty fully illustrated tutorials, including how to shoot a face in a crowd and how to train your eye to observe and capture the unexpected. *The Street Photographer's Manual* shows you that being a street photographer is partly about looking for luck. But luck requires inspiration—and that is where this book is indispensable.

Strange and Familiar Alona Pardo, Martin Parr.2016 Twenty-three photographers from countries around the world offer their own perspectives on British society. British photographer Martin Parr has selected works, dating from the 1930s to today, that capture the social, cultural, and political identity of the UK through the camera lens. These images range from social documentary and street photography to portraiture and architectural photography and offer a reflection of how Britain is perceived by those outside its borders.

American Geography Matt Black.2021-12-07 Award-winning photographer Matt Black traveled over 100,000 miles to chronicle the reality of today's unseen and forgotten America. When Magnum photographer Matt Black began exploring his hometown in California's rural Central Valley—dubbed “the other California,” where one-third of the population lives in poverty—he knew what his next project had to be. Black was inspired to create a vivid portrait of an unknown America, to photograph some of the poorest communities across the US. Traveling across forty-six states and Puerto Rico, Black visited designated “poverty areas,” places with a poverty rate above 20 percent, and found that poverty areas are so numerous that they're never more than a two-hour's drive apart, woven through the fabric of the country but cut off from “the land of opportunity.” *American Geography* is a visual record of this five-year, 100,000-mile road trip, which chronicles the vulnerable conditions faced by America's poor. This compelling compilation of black-and-white photographs is accompanied by Black's own travelogue—a collection of observations, overheard conversations in cafe's and public transportation, diner menus, bus timetables, historical facts, and snippets from daily news reports. A future classic of photography, this monograph is supported by an international touring exhibition and is a must-have for anyone with an interest in witnessing the reality of an America that's been excluded from the American Dream.

Martin Parr .2016 First published in 2000 this revised edition includes a large number of new images and shows the remarkable shift from analogue to digital photography that has taken place over the period. The book also features a playable labyrinth puzzle on the front cover.

Bliss Fiona Zedde.2005-08-01 *When You Want It All, You've Got To Give It All* From the outside, Bliss Sinclair's life seems very glamorous--a high-profile job with a publishing house, a fashionable boyfriend who looks good on her arm, and ultra-chic parties where the come-ons are as hot and

thrilling at night as they are empty as an air-kiss greeting the next day. It's a world Bliss wanders through with blinders on, all the while craving more. And she finds it in the most unlikely of places. Embarking on a series of carnal adventures with a notorious bad girl as her guide, Bliss opens herself to every new experience and every taboo. In abandoned warehouses, private fetish clubs, even her own office, Bliss is skating on the thin ice of desire--until her world comes crashing in. Now, broken and wanting, Bliss decides to spend a summer in her birthplace, Jamaica, where she hopes to reconcile with her estranged father and rediscover herself. There, in a land of lush ripeness, of heat, warm breezes, easy smiles, and the family she left behind, Bliss will discover what she didn't know was missing. It's a journey that will awaken every one of her senses and take her to the edge of known pleasure and far beyond it, to a love that is as sexy as it gets, as real as can be, and more surprising than she can imagine--a place of total bliss.

Hong Kong Parr Martin Parr.2014-10 Hong Kong Parr is a new publication by award winning photographer Martin Parr, to coincide with his first solo exhibition in Hong Kong at Blindspot Gallery. Parr's photographs of the city, taken in 2013, capture the barrage of fashion, food and colour in Hong Kong, one of the most densely populated cities in the world. Known for his satirical and humorous social documentary on modern life, this new project continues Parr's examination of consumption, leisure, food culture and eccentricity. From Mainland tourists in Hong Kong's shopping districts, locals at the racecourse and ballroom, to raw food in the wet market, Parr captures the intensity of urban life in Hong Kong in an assault of food, fashion and colour. The photographs in this book were commissioned by Blindspot Gallery. Exhibition: Blindspot Gallery, Hong Kong, China, (06.09-01.11.2014).

No Worries Martin Parr.2012 In 2011 Magnum photographer Martin Parr set out to photograph three Western Australian port cities, Fremantle, Port Hedland and Broome. Each town was a unique setting for a photographer famed for his images of British seaside culture in the publication *Last Resort*. Using his unmistakably intimate and satirical style, Parr went about photographing Australian cliches, full of saturated colours and flash photography. The resulting photographs, published here for the first time, are an invaluable collection from this world-renowned British photographer.

The Last Resort .2009 A revised edition of the classic book that launched Martin Parr and transformed the world of documentary photography.

Martin Parr Martin Parr.2013-10-28 Martin Parr is an affordable, pocket-sized monograph charting the influential Magnum photographer's entire career, beginning with his early black-and-white photographs and continuing on to major projects such as *The Last Resort* and *Think of England*. The book features an introductory essay by Sandra D. Phillips, Senior Curator of Photography at the San Francisco Museum of Modern Art.

Martin Parr Martin Parr.2000 An unusual and hilarious collection of photographs not by but of Martin Parr. For several years now, when Parr has travelled on assignment he has wherever possible had his picture taken by a local studio photographer, or street photographer, or in a photo booth. The result is a wonderfully varied portfolio of portraits ranging from elaborate studio sets reminiscent of the heyday of the Victorian studio photographer, through to digitally manipulated images of Parr as Mr Universe. Includes 42 full-colour plates.

Small World Martin Parr.1995

Martin Parr Val Williams.2002-02-01 The acute observation, wit and colour of Martin Parr's work since the mid-1980s has established him as one of the most successful and popular of contemporary photographers and a leading member of the prestigious Magnum agency. But a great deal of original and surprising earlier material has remained relatively unknown. This retrospective is the first serious assessment of his entire career to date. With over 600 images, including selections from all his best-known projects, it reveals hitherto little-known work and many previously unpublished photographs. Unlimited access to Parr's archives and extensive interviews with the photographer have allowed writer and curator Val Williams to chart Parr's life and career, giving new insights into his influences and attitudes and reassessing his importance as an artist.

Home and Abroad Martin Parr.1993 British photographer Parr uses his camera to skewer the affluent consumer culture now pervasive in his home country and throughout Europe. He is critical and pessimistic: in some of his ironically colorful pictures, fast-food consumers are literally ankle-deep in trash, and a kind of consumerist stupor seems to overtake most of the faces. Yet at the same time Parr is humorous, poking fun at a bare-breasted sunbather bottle-feeding her baby, at frenzied supermarket shoppers with crazily overloaded carts. The spirit of the late Tony Ray-Jones, Parr's compatriot whose delightful *A Day Off* (1974) showed the English at play, hovers over *Home and Abroad*. Sadly, Parr's English have gotten duller, gained weight, and lost touch with their delightful traditional eccentricities since Ray-Jones' day. Perhaps even Ray-Jones might today see the English as Parr has--homogenized and zombified by material goods. Or perhaps Parr simply has a darker vision. Gretchen Garner

Common Sense Martin Parr.1999 An extraordinary and exceptional collection of Magnum photographer Parr's new work covering the last two years. Hilariously funny, though with a sharp and biting edge, it combines lurid and luscious colour with his wonderful sense of irony. Publication will coincide with a world wide exhibition of the work which is being shown in a staggering 38 venues in 22 different countries during March and April 1999. Features 160 colour plates.

Objects Martin Parr.2008 Martin Parr has become well known for his collections of photography books and postcards, but he is also a jackdaw collector of photographic and other themed objects. Some collections have already achieved notoriety for instance his collection of Saddam Hussein watches (wrist watches featuring photographs of Saddam Hussein, highly popular in Iraq prior to his downfall), and his collection of photographic trays, both exhibited at the 2004 Rencontres d'Arles festival in southern France, but until now they have not been published in book form. This comprehensive account of eccentric objects collected by Parr over 25 years includes his memorabilia of political leaders and movements (Lenin, Margaret Thatcher and the Miners strike, for example), other mythologized characters (Osama bin Laden and the Spice Girls), his collections of photographic trays and kitsch wallpaper, objects commemorating the M1 motorway, 9/11, and the Sputnik mission. Ranging between the banal and poignant, they are always hilarious.

Luxury Martin Parr.2009 In his epitaph to the age of conspicuous consumption and wealth, *Luxury* features Martin Parr's photographs from five years of watching the rich and fabulous at international champagne-fuelled gatherings. In a series that manages to be both satirical and warmly affectionate towards air-kissing luxury-victims, Parr's subjects include parties, horse races and notable luxury events including the Millionaires Fair, Moscow, the Dubai Art Fair and the Art Basel Miami. Designed with an appropriately luxurious silver-foiled padded leatherette cover and introduced with an argument for a new morality by leading British fashion designer Sir Paul Smith, *Luxury* is the powerful statement about the era before the bubble burst.

The Photobook Martin Parr, Gerry Badger.2010-02-01 The work of Martin Parr bridges the divide between art and documentary photography. His studies of the idiosyncrasies of mass culture and consumerism around the world, his innovative imagery and his prolific output have placed him

firmly at the forefront of contemporary art. A member of the international photo agency Magnum, Parr is an avid collector of books and a world authority on the photobook.
